

**UNIVERSITAS PELITA HARAPAN - EXECUTIVE EDUCATION CENTER**  
**INTERNATIONAL MASTER OF HOSPITAL MANAGEMENT**  
**(MMRS & MM)**

The International Master of Hospital Management program is a 15-month international program from Universitas Pelita Harapan School of Medicine. The program is conducted by international and local faculty members in UPH Jakarta campus, with one week International Leadership Program on High – Impact Health Care Leadership Development Program at one of the best university in the world.

The International Master of Hospital Management program prepares a diverse group of professional healthcare and hospital managers to become future managers and leaders within healthcare provider organizations who are committed to improving the delivery of health services throughout Indonesia. The program's vision is for its graduates to provide leadership and improve healthcare throughout Indonesia.

**PROGRAM VALUES**

- **Excellence**-Valuing excellence means setting the highest standards for our students, faculty and program. To that end, we encourage and acknowledge achievement and accountability
- **Innovation**-Change is both expected and welcomed; we encourage flexibility, initiative, and creative thinking in both classroom and program activities
- **Professionalism**-Personal integrity, ethical behavior, service, and professional development are integral to the success of our students
- **Collaboration**-Cooperation, respect and being part of a team are central to our classroom and program activities
- **Diversity**-Valuing different backgrounds, perspectives, and approaches combine to create optimal learning experiences for our students and faculty
- **Lifelong Learning**-A commitment to lifelong learning is essential in order to continuously develop the knowledge, skills and understanding required by the dynamic and changing health care sector
