IDENTIFY NEW SOURCES OF GROWTH THROUGH CORPORATE INNOVATION AND ENTREPRENEURSHIP

Companies that prioritise innovation roll out winning products and services year after year and change the game in their sectors. The ability to adapt to the changing environment requires innovative and multifunctional individuals able to adapt to and develop new innovations amid uncertainty and ambiguity.

This International Executive Master of Management in Corporate Innovation and Entrepreneurship will enable participants to anticipate market needs and grow the organisation's capacity to innovate.

As an executive or entrepreneur, you will master the fundamentals of management alongside other experienced professionals. You will also develop strategic vision and management capacity required to excel in practical decision making.

By transforming current managers into innovative change agents managers, this program will enable you to drive strategic innovation resulting in high performance. Learn to build, lead and sustain an innovative organisation and achieve high performance throughout the value chain. Develop new toolkits and theoretical frameworks to help your company gain competitive advantage.
